

Academic License Agreement Annual Fee Worksheet - CAD

SEPTEMBER 2019

Academic Program Information Link

Product Selection Instructions:

As part of the compliance and annual order process, this worksheet must be sent to EMEA_Contract_Admin@MicroFocus.com (for Europe, Middle East, Africa) or contractadmin@MicroFocus.com (rest of world).

Please indicate the models you will be using: ____ FTE Model; ____ Workstation Model; ____ Dept. Workstation Model; ____ Mobile Device

PRODUCT CALCULATION INSTRUCTIONS:

A. Place a mark in the column Model Selected box of the product(s) you wish to purchase OR select a Value Bundle. If a Value Bundle is not selected, at least four (4) products must be selected. There is a \$5000 minimum purchase requirement on the ALA.

B. Calculate the Total Bundled Price (TBP) by adding the appropriate prices of the products selected and the appropriate pricing model. You should have a Total Bundled Price (TBP) for each pricing model (Workstation/Dept Workstation, FTE, Mobile Device) from which you are purchasing.

C. The Total Bundled Price will be used to calculate the Annual Fee.

You may not use the FTE model in calculating your Annual Fee unless your FTE population exceeds your Workstation count.

TO PREVENT DELAYS IN PROCESSING YOUR RENEWAL ORDER, PLEASE SUBMIT BOTH YOUR PURCHASE ORDER AND COMPLETED WORKSHEET TOGETHER MOBILE DEVICE LICENSE:

Upon purchase of a license for ZENworks Mobile Management, the following terms become part of Your ALA.

To acquire a Mobile Device License, You must purchase a license for each Mobile Device. To acquire a FTE license, you must purchase a license for all FTE. Subject to the terms and conditions of this Agreement, the license purchase authorizes You to install and use one copy of the Mobile Management Application on each Mobile Device (for an FTE license, for each Mobile Device used by an FTE person). This license allows You to use the Software solely to manage licensed Mobile Devices. You may not use or allow the use of the Software other than for Your own internal purposes.

Mobile Device means each smartphone, tablet, laptop, netbook or other device with wireless capability: (1) on which any portion of the Software is installed or used, or (2) from which any portion of the Software is accessed.

Mobile Management Application means the module included with the Software that is installed on a Mobile Device for management by the server Software. The Software may include a level of encryption data security for communications with Your email platform. You assume full responsibility for the establishment of appropriate security measures to control access to the solution. Airtime services are not provided by or through Micro Focus; You assume full responsibility for issues relating to use and the availability of airtime services.

FTE LICENSE:

Customer must purchase an FTE License for each FTE.

The number of Customer's FTEs shall be calculated as the sum of:

(a) Faculty and Staff FTEs. For the prior academic year, the number of full-time faculty and staff plus the total number of hours worked by part-time faculty and staff in an average work week divided by 40; and

(b) Student FTEs. For the prior academic year, the number of full-time students plus the total number of part-time student credit hours divided by the number of credit hours that Customer uses to identify full-time status.

For Customers that declare a student FTE count in a report to an accreditation or governing board or a government agency, the student FTE account will be the greater of the calculation in subpart (b) above or the FTE count contained in such report.

The FTE calculation for each category of faculty, staff, and students, must be demonstrated through a verifiable means that may include use of an audited annual report, an organization's human resource system, or the government website, government report, or other published report provided by Customer that shows accurate information.

Upon mutual agreement of the source of the data used for the FTE calculations, Licensor will accept calculations based on the source that are up to one year old.

NOTE: Any hospital approved by Micro Focus to purchase under the ALA must purchase under the Workstation pricing schedule. Any school not purchasing as an entire unit must purchase using the Department Workstation Pricing schedule. This note does not apply to the purchase of a Mobile Device License.

When ordering Advanced Authentication Products under the Workstation or Departmental Workstation count the total number of users (including all faculty, staff and students) within your systems need to be counted even though you are paying just for the Workstation or Departmental Workstation numbers. Therefore please complete the section below to advise your number of users that will use the software.
